Wisdom Unearthed

Gaining or getting confidence assumes you don't have it, you don't think you have enough of it or it gets "knocked out of you" somehow. Being confidence is more an embodiment of your birthright. Reclaim it.

BE CONFIDENCE in your mindset. Be it in your words. Be it in your actions. Be it in your posture. Be it in the way you walk. Be it in your intentions. Be it in your body. Remind your soul that confidence is your birthright and natural way of being and therefore delights in expressing itself. You are letting yourself and others down when you choose lack of confidence as a way of being.

Into the Limelight event and expo

Sunday March 6th, 2011 at Raye Freedman Arts Centre, Auckland

Step into your brilliance with confidence, courage and commitment

Do you want to..

- have more self belief, confidence and courage so you can having better things appear in your life?
- commit to doing the things you really want to be doing, rather than having what life puts on your plate?
- put your interests, talents and skills to better use and be more successful in whatever you are doing?

In conjunction with International Women's Day, I am organising an expo and event on March 6th, 2011 featuring inspirational speakers, creative and musical talent and promoters to inspire, entertain and empower you to get out of hiding, shine with confidence and make your unique difference in the world. Check [here](#) for information.

Tickets are selling now for this event at <http://www.iticket.co.nz/events/2011/mar/into-the-limelight/>

Promote yourself and your business and get it growing in 2011

Come out of hiding, fear and lack of confidence and promote yourself, your products and services at the expo at the Into the Limelight event and commit to growing your business and sharing your unique skills and talents.

For a very minimal cost, but with table-promoting exposure before, during and after the event and a chance to be on stage at the event so people get a look and feel for who you are and what you are offering, why would you not take up this opportunity?

If you and your business want to be in front of largely female adult audience, click here for [promoters' information](#) and [contact](#) Janelle to say YES now! This event is coming up, so be in quick and you also get a complimentary seat at the event for yourself.

Go well and grow well in the month of January and make 2011 a goodie! Janelle XX
